Since 1990 the Census Bureau updated the base from the North American Datum of 1983 (NAD27) to the datum as of 1983 (NAD83) and the coordinate system was updated to the StatePlane California 2 projection. The boundaries shown on this map are for statistical purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights or ownership or entitlement. An anchor symbol appeared on the 1990 map, indicating a census tract containing ships at sea. This map shows the area symbolized as a census tract with the census tract number shown near the area.
